

**2005**

**DESTINATION IMAGINATION®**

**A Celebration of Kids & Creativity**

Jefferson County Public Schools  
Golden, Colorado

# Destination ImagiNation®

Welcome to the Jefferson County Schools Destination ImagiNation® (DI) Regional Tournament. It's a day of high expectations, great excitement and lots of fun.

Hundreds of students in Jefferson County made a commitment to Destination ImagiNation® and are here today to celebrate their accomplishments. They are sharing unique solutions to a set of common Challenges and discovering their talents, skills, team spirit, and creativity. A team's success should not be judged on their placement in today's competition, but by the months of cooperative creative problem solving that has preceded the event.

**Every student here is a winner!**

The students' participation in DI is made possible through the dedication of hundreds of volunteers serving as: Building Coordinators, Team Managers, Appraisers, volunteers, and the Jefferson County Schools DI Steering Committee, many of whom have spent a great part of the past year in preparation and anticipation of this day.

Today is the time to celebrate the students of Jefferson County and to acknowledge their hard work and creativity. Have a great day!

**We wish the best to each one of you!**

Nyla Kimmett and Sheila Swanson  
Tournament Co-Directors

**Our Hosts this year:**

Lakewood High School  
9700 W. 8<sup>th</sup> Ave.  
Lakewood, CO 80215

# ACKNOWLEDGEMENTS

The following people have contributed greatly  
to the success of this year's Tournament:

## JEFFCO DI STEERING COMMITTEE

<b>DIZZY DERBY</b>	FRANK SWANSON	GARY CHRISTIANSEN
<b>SUDDEN SERENDIPITY</b>	VILMA BUDZYNSKI	TIM BUDZYNSKI
<b>LIVE! IT'S RADIO DI!</b>	HAL EDEN	DAN KIMMETT
<b>IMPROVING ALONG</b>	ROBIN VIDIMOS	JESSICA LOHMANN
<b>DISIGNING BRIDGES</b>	JIM SIRKO	JOE MCDERMOTT
<b>MORE TO THE STORY</b>	BARBARA HARTMANN	TODD SORENSON
<b>INSTANT CHALLENGE</b>	JOHN FECHENBACH	SCOTT STOKER
<b>VOLUNTEER COORDINATOR</b>	DIANE FECHENBACH	
<b>SCOREMASTER</b>	DAVE STARR	
<b>REGIONAL DIRECTORS</b>	NYLA KIMMETT	SHEILA SWANSON

## GIFTED AND TALENTED

Barbara Cox, Secretary  
Betty Nissler, Secretary

## LAKEWOOD HIGH SCHOOL

Mr. Ron Castagna, Principal  
Ms. Bobbie Craven, Asst. Principal  
Ms. Lisa Ritchey, Asst. Principal  
Mr. Kent Waryan, Asst. Principal  
Ms. Debbie Alexandridis, Asst. Principal  
LHS Faculty  
Custodial Staff

## A SPECIAL THANK YOU TO:

Connie Ackerman, Colorado DI  
Bill Rowley, Jeffco Public Schools  
DI Building Coordinators  
Team Managers - Appraisers - Parents  
Volunteers - Lakewood PD

# **DESTINATION IMAGINATION®**

## **INTRODUCTION:**

**Destination ImagiNation® is an international organization for kindergarten through University students that teaches life skills and expands imaginations through team-based creative problem solving.**

The purpose of Destination ImagiNation® is to teach creative problem solving strategies, teamwork and life-long skills. Our goal is to cultivate the creative problem solving process and make it an unconscious part of students' everyday lives. Instant Challenges are designed to teach students how to quickly assess problem components and the steps necessary to resolve short-term issues. Team Challenges build student confidence through commitment to task and group interaction.

The emphasis is on FUN!

## **TOOLS FOR THE CREATIVE PROBLEM SOLVING PROCESS**

These tools for creative problem solving are involved in every detail of the team's unique solution.

### **Accumulation:**

Researching, collecting data and personnel, brainstorming,

### **Prioritization:**

Matching ideas to purpose, inventorying of resources, fitting individual and group goals,

### **Presentation:**

Experimenting, writing, speaking, drawing, acting, playing, painting...

### **Evaluation:**

Does it work? Does it fit the purpose and goals? How does it compare to other solutions? How can it be done differently?

As teams learn to efficiently use the creative problem solving tools, decision making becomes easier, big ideas become possible and the solutions become more creative.

Destination ImagiNation® can open a world of possibilities for students as they apply the steps of creative problem solving to new challenges for the rest of their lives!

# **DESTINATION IMAGINATION®**

## **Team Challenges:**

Team Challenges ask teams to use art, technology, and performance in their solutions. There are 5 Team Challenges, open to all Levels, from which a team can choose. The solution can take from several weeks to several months to develop. Challenge solvers stretch their imaginations and develop task commitment and life-skills valuable in any nation of the world.

The Rising Stars! Challenge is available for students in K – 2<sup>nd</sup> grades. This is a non-competitive Challenge that introduces students to the Destination ImagiNation® process.

## **Instant Challenges**

Instant Challenges teach students to take what life is handing them moment to moment. These Challenges spark and quickly capture team members' wild imaginations by requiring them to solve a Challenge on the spot. Students practice "Thinking on their feet" using unusual materials and verbal responses to get out of "sticky" situations. With this component, students will learn creativity skills, cooperation and have oodles of FUN!

## **State and Global Competitions**

First, second and third place winners in each Level of each Challenge qualify to participate in the Colorado DI Tournament, April 30, 2005, at the University of Denver. First place and second place winners from the state Tournament will be eligible to compete at the D2K.5 Global Competition:

**May 25-28, 2005**  
**University of Tennessee**  
**Knoxville, Tennessee.**

# RISING STARS! ...More to the Story!

Non-Competitive for students in Kindergarten – 2<sup>nd</sup> Grade, ages 5 – 9

## ROOM 166

**\*\* Follow the PURPLE Arrows \*\***

What happens to the characters in a story **AFTER** the story ends? The teams pick any story they like and make up a story that tells what happened after the story ended.

### OUR PLAY WILL INCLUDE:

- A Play: acting out the story
- Wheels: Make something that uses at least one wheel.
- Using Senses: Choose any 2 of the 5 senses and show them in the play
- Primary Colors: Make something for the play that is only red, yellow and blue
- Costume: Make a costume for 1 team member that includes something from the kitchen!

**Teams must report to Prep Area 20 minutes before their scheduled Presentation time.**

**Time limit: 8 minutes**

# CHALLENGE A: Dizzy Derby

## Elementary Level

### GYM

**\*\* Follow the GREEN Arrows \*\***

Racing! Laps! Strategy! The team designed Vehicle races against the clock to complete the greatest number of laps on the triangular track. There is more than 1 way to gain lap points. Did the team design their vehicle for speed alone or to gain extra points with a risky detour?

#### POINTS OF INTEREST: Teams

- Will design a reliable Vehicle with a Technical Energy Source that will race around a triangular track transporting one or more team members.
- Will receive points for the number of Laps and Detours their Vehicle completes.
- Will integrate 3 Side Trips into its Presentation.
- Create a skit that brings together all elements of the team's Presentation.
- **This Challenge can be solved on many levels, from very simple to very complex.**

**Teams must report to Prep Area 20 minutes before their scheduled competition time.**

**Time limit: 8 minutes**

**Materials cost limit: \$175**

#### ELEMENTARY LEVEL

# CHALLENGE C: LIVE! It's RaDIo DI!

## Elementary Level & Secondary Level

### CHOIR ROOM 101

**\*\* Follow the BLUE Arrows \*\***

Before television, imaginations around the world came alive every night with RaDIo. Families sat beside the RaDIo listening to news of the day, music and plays – all without pictures. Teams will create a story and tell it without pictures – an Original RaDIo show performed live before a RaDIo audience.

#### POINTS OF INTEREST: Teams will

- Present a story in a live RaDIo broadcast that will include at least one Unique and/or eccentric character.
- Include live Sound Elements that creates images in the mind of the listener. At least one sound must be produced by a Technical Element.
- Have a “Cliffhanger” or “Hook” before a Commercial Break
- Have a Commercial Break with an Outrageous Claim and Jingle.
- Have their broadcast “interrupted” by a News Bulletin.
- Include three Side Trips in its Presentation.
- **This Challenge can be solved on many levels, from very simple to very complex.**

**Teams must report to Prep Area 20 minutes before their scheduled competition time.**

**Time limit: 8 minutes**

**Materials cost limit: \$125**

# CHALLENGE D: IMPROVing Along

## All Levels

### ROOM 206 A

**\*\* Follow the PINK Arrows \*\***

It's time for teams to learn about transportation. They will choose one of 12 Modes of Transportation to study. Then create an IMPROVmobile and a skit on the spot that includes an Improv Travel game and shows what happens "Along the Way." The teams will have **30 minutes** to plan their trip!

**POINTS OF INTEREST:** Teams will

- Create a six-minute Improvisational Skit in a 30-minute time period at the Tournament.
- Research 12 Modes of Transportation taken from 6 categories and randomly choose one to be integrated into their skit.
- Randomly select an event that happens Along the Way and integrate it into their skit.
- Create an IMPROVmobile.
- Demonstrate one of four Improv Travel Games during the Presentation
- Integrate an Invisible Prop into their skit.
- This Challenge can be solved on many levels, from very simple to very complex.

**Time limit: 6 minutes**

# CHALLENGE E: DIsigning Bridges

All Levels

**BAND ROOM 104**

**\*\* Follow the GOLDEN ROD Arrows \*\***

What do we do when a river, highway or ravine stands between us and our destination? We build a bridge. The teams' challenge is to build a bridge out of wood, glue and fishing line that holds weight. Will it be long or short? Will it be strong? Teams will explore bridges of the world for their design.

**POINTS OF INTEREST:** Teams will

- Design, build and test a Bridge made of Wood, Glue and Fishing line.
- Research bridges from nations other than their own and use a design element of one of these bridges in their design.
- Will make a prediction about what will happen when they stack weights on their bridge.
- Create and present a Story about a bridge or connection between the cultures of 2 Nations. Story will include at least one character.
- Include three Side Trips in its Presebtatuib.
- **This Challenge can be solved on many levels, from very simple to very complex.**

**Teams must report to Prep Area 20 minutes before their scheduled competition time.**

**Time limit: 8 minutes**

**Materials cost limit: \$100**

# Destination ImagiNation® Awards

## **Rising Star:** For Kindergarten – Second Grade, non-competitive

This award recognizes the courageous, curious and joyous first steps in the journey of life-long learning. Awarded to all Primary team members.

Criteria: This award is given to all Rising Stars! Teams who demonstrate a solution at the Tournament.

## **Spirit of Discovery and Imagination Award (Spirit of DI Award):** For Outstanding Spirit, Teamwork, Volunteerism, and Sportsmanship

Destination ImagiNation, from its very beginning, has been a community. The recipients of this award are the people who go out of their way to help others, making sacrifices not for themselves, but to give something to someone else. We recognize and applaud those members of our community who demonstrate outstanding and extraordinary levels of sportsmanship, volunteerism and spirit, be they Team Members, Team Managers, Officials or other helpful DI friends and volunteers.

Criteria: This award is given in recognition of those who act as superior role models in the areas of spirit, sportsmanship, and volunteerism.

## **Renaissance Award:** For outstanding Design, Engineering, Execution, and Performance

On our journey we sometimes encounter exceptional travelers who entertain and enlighten us along the way. The Renaissance Award recognizes those among us who demonstrate extraordinary amounts of effort and preparation in their solutions or outstanding skill in engineering, design or performance. While the destination is creativity, these fellow travelers make the journey itself memorable.

Criteria: This award is given for outstanding skill in the areas of engineering, design, or performance.

## **DaVinci:** For Outstanding Creativity

The paths we follow on our journeys were once uncharted and unknown – until someone took a bold step in a new direction and paved a way for us to follow. To solve our Challenges, imagination, creativity, originality and courage are required. We honor those individuals and teams who most clearly demonstrate that spirit of adventurous risk in their solutions – those who most creatively traveled to reach truly new and unique destinations. The DaVinci Award is named to honor one of humanity's greatest creative thinkers, Leonardo Da Vinci.

Criteria: This award is given for having a unique approach to a solution, for risk taking, and/or for outstanding creativity (not skill or talent).

\*Please note: solutions need not be successful to demonstrate the attributes of creativity and risk taking.

**\* \* \* FOOD, FOOD, AND MORE  
FOOD!!!**
